Step into the world of Mana...

From ages past to ages yet to come,  
the tale of the Mana Tree and the Sword of Mana  
grows with each telling.

The journey unfolds across numerous platforms and genres,  
but all share the same vibrant,  
living world filled with colorful characters.

Our development team is constantly looking for new  
ways to make the world of Mana one that you can enter  
and enjoy to your imagination's content.

Though we are only just beginning,  
there are several titles under production,  
while others are beginning to take life  
in the form of sketches and concept art.

Our entire staff continues to work hard to bring you  
the next chapters in the Mana saga,  
and we hope you look forward to the day  
you can next step into the world of Mana.
