

## Trow Lyrics - Ogan

### Chorus 1

Oh, it's bad luck to be you.  
A chosen one of many isn't new.  
When you think you're full of luck  
In the bullocks you'll get struck.  
Oh, it's bad luck to be you...

### Verse 1

Now, Ogan came young from the farm  
And tried to save the princess from all harm.  
Equipped with a stick,  
And a head made out of brick,  
His rabbit's foot failed as a charm.

### Chorus 2

Oh, it's bad luck to be you.  
The prophecy is never coming true.  
In a pickle you'll be stuck,  
Like a chicken you will cluck.  
Oh, It's bad luck to be you...

### Verse 2

Believing that he was the One  
His ego weighed in at a ton  
His mum's a crazy bat  
(did we mention she was fat!)  
And she'll need a pine box for her son.

### Chorus 3

Oh, it's bad luck to be you  
Don't think for just a second it's not true  
When your life is run amuck  
You will see that you're the schmuck  
Oh, it's bad luck to be...  
(Really bad luck to be...)  
Nobody could disagree...  
It's a freakin' guarantee...  
It's bad luck to be you!  
Diddly doo ...
