MUSASHI®: MOBILE SAMURAI™ is an original 3D action game that offers spectacular graphics, rich sound effects and fast-paced action that have been optimized for the mobile phone experience. Based on the character and world from the console title, MUSASHI®: Samurai Legend™, gamers can now enjoy the same cutting edge samurai action on the go! Available through Verizon Wireless' new V CAST service, V CAST customers can download MUSASHI: MOBILE SAMURAI on the new 3G-capable LG VX8000 phone – the pinnacle of visual entertainment.

KEY FEATURES

- **Advanced 3D Gameplay**

Summon Musashi on your mobile phone! Musashi: Mobile Samurai, Square Enix's first 3D action game for mobile platforms, delivers an experience never before seen on game consoles and puts a fresh spin on the 3D action genre!

- **Fast-paced Samurai Combat**

Wielding dual swords, the young warrior Musashi sets out to climb the Tower of the Five Rings, the nexus of the five elements: earth, water, fire, wind, and the void. To reach the top, he must slice his way through hordes of foes in exhilarating samurai action sequences.

- **Dynamic Camera and Stunning Visuals**

Dynamic camera angles and spectacular visual effects intensify thrilling, strategic battles.

- **Straightforward Controls**

Use the arrow keys and the "OK" button to unleash a variety of techniques. The controls are simple; there's no need for the complex command sequences found in other action games.
